Wish, DLAC & Wombles Combine For Community Appearances

There were two major events last Sunday attracting thousands from across the borough. Wimbledon Common Open Day was supported by Wimbledon in Sporting History (WiSH) and Dons Local Action Group (DLAC), with Wandle Womble as the star attraction!

Merton Big Sports Day at Wimbledon Park was supported by WiSH, DLAC, Dons Den Speedway, the Foundation and Haydon Womble as this event's major guest.

WiSH and DLAC worked together in ensuring the Club was represented and promoted at both events. A huge thank you goes to all involved, in particular to our key planners Meena, Craig and Chris H, without whom this wouldn't have been possible.

Here's to next year!
