

The Museum: Sponsor a Cabinet

Here at Wimbledon in Sporting History we're recovering from the flood and aiming to re-opening on Friday 31 January 2025.

Bigger, Better, Brighter & Back with a Bang!

We're delighted to bring our supporters news of an exciting opportunity to have their name or tributes on the 20 brand-new Museum Display Cabinets that we'll be installing as part of our renovation work.

Each display cabinet will have a bespoke header and back display (as shown in our example image). You can help WiSH by sponsoring your favourite period or occasion! There's only 20 to choose from and we're politely asking for £250 per cabinet to have your name displayed in the museum for years to come. So this is your chance to be part of the Club's history in an extra special way!

The list of cabinets is displayed below. For further information please email info@wimbledoninsportinghistory.co.uk
