There'll be some special limited edition items available on the night:

Batsford Arms A3 prints, the famous yellow and blue kit shirt from the 1974/75 season, team prints and a bespoke event badge.

Meet the legendary team, hear their stories, watch the film footage, get items signed and photographs, like the auction; this is a one off, for some the first time they've seen each other in half a century. Come and celebrate with us the Batsford team that won three back-to-back league champion trophies and got us elected to the Football League.
